Algodonales, Andalucia, Spain | Tel. +34 651 736 718 | Email. info@flyspain.co.uk

We offer British qualifications and are the only school working full time in Spain that have that privilege. There will be no funny alternatives or extra days to achieve once you get back home. We have been teaching here for almost ten years and qualify hundreds of pilots each year and guide many more. We are the largest school working outside the UK.

The cost of the course is 850€ for the beginner's course (EP) and 950€ for the more advanced Club pilot course (CP). Included in the price for both weeks are tuition, equipment, transport around sites, airport transfer (depending on your arrival time) and accommodation in our townhouse.

The Guiding courses are tailored to you, having made plenty of holidays ourselves, we've offered an inclusive price inc airport retrieve and digs etc.

To reserve your place

That's easy, email us with the dates required and we will email you back with our bank details for you to pay a 300€ or £200 non-refundable deposit. The balance is then payable in Euros upon your arrival drop us a line if unsure of the balance. Once we have confirmed that you are booked onto the course, received your deposit, then book your flights.

Accommodation is included in the price which is based on two sharing a room in our large town house. It's a self catered house with plenty of room to relax and read with a big terrace looking out over the town. It has two bathrooms, wifi and UK sat. If you prefer to have a separate room there is a single person supplement of 150 €

Flights & Arrivals The dates given are the arrival/departure days, tuition begins the following day. Nearest airports are Jerez, Seville and Malaga, Malaga tends to be the cheapest and easiest and the one we offer a free transfer from.

Due to the new work at Malaga airport and the lack of provision for the parking of larger vehicles the FlySpain van meets everyone outside of departures for one o'clock. The van is easy enough to spot! To make the most of free airport transfer you need to be in Malaga Airport prior to one p.m and depart mid afternoon or later

Taxis If you can't make our transfer times or arrive really late then we can organize a taxi, expect to pay 80 euros via us or 120 at the airport or check out the car hire rates via the front page of our website.

Extra Nights Additional nights are charged at 20 euros per night and taxi's or buses can be arranged to take you to the airport. Please remember that on our change over day there is NO flying.

Non-flying partners are welcome and the charge is 200 euros (£165), which covers accommodation and airport collection. They are welcome to join us on flying days if there is availability in the car, but it is not guaranteed

Car Hire : If you would like some flexibility to look around the area and visit some of the villages you would have flown over during the day we now have a direct and easy link to an affordable and reputable car hire firm via our website front page.

Cancellations: Please note, due to limited numbers per course, cancellations made within 21 days of the course commencing will have to pay the full course fees.

Other additional costs are

1. BHPA membership (£55- £104) for the year on arrival
2. 2.Travel Insurance

What clothes should i bring:

Between November and March, something warm for the evenings, If your on a Cp week or a Guided week, the golden rule is dress for altitude, so fleece layers and windproof layers and gloves. If you are on a beginners week running up and down hills over November through to March, bring a change of trousers because you will get a little muddy. On that note there is a washing machine in the house.

If you have any other questions first try our FAQ's or would like to speak to us in person please feel free to call us anytime before 7 in the evening (0034 651331008), and thanks again for your enquiry.
